Directions Walk 15 by Beautiful Plakias (<https://beautifulplakias.com>)

You walk to the end of Plakias Beach (east) - at the end the road goes shortly up and ends at Plakias Bay Hotel - take the small foot path straight ahead along the hotel's fence – take the first path to the right and just keep following this path till you are at the caves

Another option is to walk through the dunes at the end of Plakias Beach towards the steep cliff and follow the path to the right there
